DoD Bone Marrow Donor Registration Program

US European Command is sponsoring a three-day bone marrow donor registration drive May 15 to 17, in the Patch Fitness Center. All DoD service members, civilians and contractors are encouraged to participate. Donor registration only takes a few minutes and is completely painless and non-invasive.

Each year, 30,000 people in the United States are diagnosed with leukemia or one of over 70 other life-threatening blood diseases. Seventy percent of these 30,000 are unable to find a matched donor within their family and must find an unrelated donor. Over 500 DoD members search for an unrelated donor each year. Don't miss this opportunity to help save the life of one of our own DoD family.

Volunteers are still needed to assist in a variety of duties at the Registration Drive and Unit Family Readiness Groups and clubs are welcome to host bake sales at this event to help raise funds for their organizations.

For additional information on volunteering, donating or setting up a baked goods table, contact SGT Stefanie Robinson: Stefanie.robinson@us.army.mil or Melissa Rodeffer: rodeffem@eucom.mil.
